

Disclosure Log

A disclosure log is a record containing details of government information already released under the *Government Information (Public Access) Act 2009* (GIPA Act). A disclosure log is part of the open access information that agencies are required to make available and is a requirement under Section 25 of the GIPA Act. Requests for personal information are not included in the disclosure log. Some information that has been released under the GIPA Act is provided in summary format only in this disclosure log. If the information is not provided electronically below, interested parties may access copies of the information listed by contacting Central Coast Local Health District, Ministerial and Executive Services on 4320 3570 or by mail at PO Box 361 Gosford NSW 2250. Please note that this disclosure log lists the information requested at the time and may not be the most up-to-date version of the information.
