Compatible Browsers
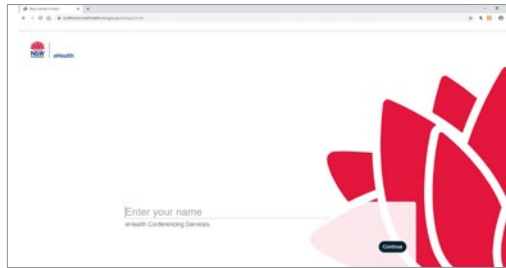

The web app is supported in:

- Google Chrome version 61 and later (64-bit only)
- Mozilla Firefox version 68 and later
- Microsoft Edge — all chromium-based versions, and HTML versions 41 and later
- Opera version 53 and later
- Apple Safari version 11.1 and later on macOS.
- Apple Safari on iOS 11.2 and later (you must use Safari on iOS devices).

It is strongly recommended to use the latest publicly-released version (i.e. 'stable version' or 'supported release') of a browser.

Connecting to the interview

1. Go to the following website:
   https://conference.meet.health.nsw.gov.au

2. Type your full name into the name box and press continue.
   (The words you enter here will be displayed so the Convener and interview panel can identify you)
3. If prompted, allow access to the device's microphone and camera.

4. You will see your image in the next screen and when you speak a green bar will move below the image.
   Confirms mic and camera are working.

5. Press the green video camera icon to connect, then press 'Join'.
   No PIN is required (this box can be left blank).

**6. Type the Virtual Meeting Room (VMR) number provided to you into the 'Search to call' box in the top right.**
   Your VMR number can be found in your interview invitation.

7. Press the green video camera icon to dial.

8. Press the green 'Join' button.
   No PIN is required (this box can be left blank).

9. You will be taken to a 'virtual lobby', stay online until invited into the interview (see opposite).
