- 1 It is not a requirement under the PPIP Act or the HRIP Act that you complete an application form. This form is designed for your convenience only. However, you must make a written request in some form to the agency for the matter to be a valid internal review.
  - 2 The PPIP Act regulates NSW state government departments, area health services, most other state government bodies, and NSW local councils. Each of these is defined as a "public sector agency". The HRIP Act regulates private and public sector agencies and private sector persons.
  - 3 "Conduct" can include an action, a decision, or even inaction by the agency. For example the "conduct" in your case might be a *decision* to refuse you access to your personal information, or the *action* of disclosing your personal information to another person, or the *inaction* of a failure to protect your personal information from being inappropriately accessed by someone else.
