

Ask us how to maximise your salary.

Salary Packaging is an effective way to structure your income and reduce your tax. This employee benefit entitles you to pay for approved expenses before tax, giving you the opportunity to make significant savings!

You may be entitled to package these expenses:

- Own home mortgage payments
- Personal loan repayments
- Private home rental payments
- Private health insurance
- Credit card payments
- Educational expenses
- Dining out expenses
- Personal insurance
- Remote area housing assistance
- Car packaging
