

Strategic priorities

Caring for our:

Patients

Exceptional patient experience and outcomes

Community

A healthy, engaged and empowered community

Staff

A valued, respected, engaged and high performing workforce

Resources

Financially responsible and sustainable

Future

High quality, integrated, innovative services

Our culture, systems and processes support the provision of high quality, safe, person-centred care

Collaboration with our community and partners to improve the health and wellbeing of the community

Staff are energised and motivated, have a shared sense of belonging and have pride in their workplace and the services they provide

Financial sustainability to enable service provision to meet community need and support investment in innovation

A responsive, innovative, learning organisation underpinned by research, education and partnerships

Governance and leadership – strong governance, clear accountability and inclusive leadership across the LHD

Safety, quality and continuous improvement – are central to everything we do and an intrinsic part of everyone's job, every day.

Partnerships and integration - working collaboratively to enhance the integration and coordination of care for our patients

Information technology and data analytics - information technology systems support the availability and use of data to inform decision-making

Research and innovation - exploring new and better ways of delivering care and achieving better patient outcomes
